The event played this year at the Coleshill FC venue was a great success and all teams seemed to enjoy the occasion. All fixtures were played in the correct spirit, and some excellent football was on show.

The standard of walking football increases year on year, and this burgeoning sport must have saved in NHS millions, with it's physical and mental health benefits on the ageing population.

The WFLA League Champions Cup was sponsored by Prostate Cancer UK and their representative Holly Currier attended on the day.

We had collection buckets at the ground, and collected £870.18 in donations for Prostate Cancer UK. With the added online donations from various clubs, a total of £ was raised for this worthwhile charity. Many thanks to all who donated.

Thanks to the WFLA committee for all their hard work in ensuring this competition had a successfull outcome.

Thanks also to our excellent squad of referees, Dave Bent, Marcus Brown, Mick Hill, Matt Howells, Stan Jackson, Damian O'Reilly, Stuart Saint, and Mike Willmore whois also the WFLA Referees Appointments Officer.

All WFLA competitions are sanctioned by the FA and all member leagues are affiliated to the National Governing Body, the Football Association.
